

MIHIKA ENTERPRISE

BUILDING STRENGTH, ENGINEERING TRUST

RELIABLE RAW MATERIAL. STRONGER INDUSTRIES. BUILT ON TRUST.

Mihika Enterprise is a trusted supplier of high quality industrial raw materials for industries, EPC contractors, manufacturing plants and infrastructure projects across India.

We deliver quality products, complete documentation, on-time delivery and long-term partnerships that build strength and create value.

QUALITY ASSURED

Tested & certified materials from reputed sources.

WIDE RANGE

Comprehensive range of ferrous & non-ferrous products.

ON-TIME DELIVERY

Efficient logistics & timely delivery across India.

CUSTOMER FOCUSED

Dedicated support and solutions tailored to your needs.

BUILT FOR THE FUTURE

Reliable solutions for a stronger future.

YOUR TRUST. OUR COMMITMENT.

Every product we supply is backed by our commitment to quality, transparency and reliability.

Together, we build stronger foundations for a better tomorrow.

RELIABLE MATERIALS. STRONGER INDUSTRIES. LASTING RELATIONSHIPS.

MIHIKA ENTERPRISE

BUILDING STRENGTH, ENGINEERING TRUST

STRUCTURAL STEEL PRODUCTS

ENGINEERED FOR STRENGTH. BUILT FOR PERFORMANCE.

We supply a comprehensive range of high-quality structural steel products that form the backbone of modern infrastructure, industrial and commercial construction.

I-BEAMS

High strength and load bearing beams for industrial and structural applications.

H-BEAMS

Wide flange beams for superior stability and heavy load support.

ANGLES

Versatile and durable angles for fabrication and structural support.

CHANNELS

Reliable channels for strong framework and easy integration.

HOLLOW SECTIONS

RHS, SHS & structural tubes for high strength and varied applications.

MS PIPES

ERW / Seamless pipes for structural and engineering applications.

MS PLATES

High quality plates in various grades and thicknesses.

MS FLATS

Precision flats for fabrication, machinery and structural use.

TMT BARS

High strength TMT bars for reinforced concrete construction.

ROUND BARS

MS Round bars in various grades and sizes for general engineering applications.

CHEQUERED PLATE

Anti-skid chequered plates for flooring, platforms and industrial applications.

PREMIUM QUALITY

Tested & certified products you can rely on.

CONSISTENT SUPPLY

Strong inventory ensures uninterrupted project execution.

TIMELY DELIVERY

Efficient logistics for on-time delivery across India.

CUSTOMER FOCUSED

Dedicated support and solutions tailored to your needs.

MIHIKA ENTERPRISE

BUILDING STRENGTH, ENGINEERING TRUST

PREMIUM QUALITY. HOT DIP GALVANIZED. BUILT TO LAST.

Mihika Enterprise is a trusted supplier of high-quality hot dip galvanized steel products that deliver superior corrosion resistance, durability and long-term performance in every application.

Galvanized for strength. Engineered for reliability.
Built for a stronger tomorrow.

**HOT DIP
GALVANIZED**
SUPERIOR CORROSION
RESISTANCE

SUPERIOR PROTECTION

Hot dip galvanized coating ensures excellent corrosion resistance and long life.

STRONG & DURABLE

Stronger steel with zinc coating for harsh environments.

LONG LASTING

Low maintenance and maximum performance over the years.

TRUSTED PARTNER

Consistent quality, timely delivery and dedicated customer support.

OUR HOT DIP GALVANIZED PRODUCT RANGE

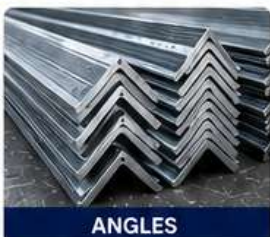

I-BEAMS

Hot dip galvanized I-Beams for high strength and load bearing applications.

H-BEAMS

Hot dip galvanized H-Beams for superior stability and heavy load support.

ANGLES

Hot dip galvanized angles for versatile fabrication and structural support.

CHANNELS

Hot dip galvanized channels for strong framework and easy integration.

HOLLOW SECTIONS

Hot dip galvanized RHS, SHS & structural tubes for high strength applications.

MS PIPES

Hot dip galvanized ERW / Seamless pipes for structural and engineering applications.

MS PLATES

Hot dip galvanized plates in various grades and thicknesses.

MS FLATS

Hot dip galvanized flats for fabrication, machinery and structural use.

TMT BARS

Hot dip galvanized TMT bars for reinforced concrete construction.

ROUND BARS

Hot dip galvanized round bars in various grades and sizes for general engineering.

CHEQUERED PLATE

Hot dip galvanized chequered plates for flooring, platforms and industrial applications.

WHY HOT DIP GALVANIZED?

- ✓ Zinc coating inside & outside for complete protection
- ✓ Excellent resistance to rust and harsh weather
- ✓ Ideal for outdoor, marine and corrosive environments
- ✓ Cost-effective and long service life

QUALITY ASSURED

Tested & certified products as per international standards.

WIDE RANGE

Complete range of galvanized products under one roof to meet all your needs.

TIMELY DELIVERY

Efficient logistics for on-time delivery across India.

MIHIKA ENTERPRISE

BUILDING STRENGTH, ENGINEERING TRUST

SUPERIOR STRENGTH. STAINLESS PERFECTION.

We offer a comprehensive range of premium quality stainless steel products that provide excellent corrosion resistance, high strength and long service life in the most demanding applications.

PREMIUM QUALITY

High grade stainless steel from trusted mills and sources.

CORROSION RESISTANT

Excellent resistance to rust, chemicals and extreme environments.

WIDE RANGE

Extensive range in various grades, forms and finishes.

RELIABLE PARTNER

Consistent supply, timely delivery and dedicated customer support.

STAINLESS STEEL PRODUCTS

CORROSION RESISTANT
BUILT FOR LIFE

OUR STAINLESS STEEL PRODUCT RANGE

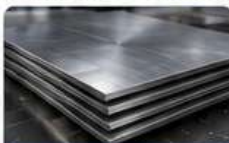

SS PIPES & TUBES

Seamless & welded pipes in various grades and thickness.

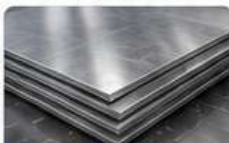

SS HOLLOW SECTIONS

Square, rectangular & structural hollow sections in multiple sizes.

SS PLATES

Cold rolled and hot rolled plates in different grades and thicknesses.

SS SHEETS & COILS

Sheets and coils in various finishes - 2B, BA, No.4, HL, Mirror & more.

SS ROUND BARS

Bright bars in various diameters and standard lengths.

SS SQUARE BARS

Square bars in various sizes and stainless steel grades.

SS FLAT BARS

Flat bars in different widths, thicknesses and grades.

SS ANGLES

Equal & unequal angles for structural and general applications.

SS CHANNELS

Channels in standard sizes for construction and fabrication.

SS FITTINGS & FLANGES

Elbows, tees, reducers, flanges & fittings in various grades.

GRADES AVAILABLE

SS 304 / 304L

SS 316 / 316L

SS 321

SS 310

SS 202

And more...

APPLICATIONS

- Chemical Processing
- Food & Pharma Industry
- Oil & Gas
- Marine & Ship Building
- Architectural & Decorative
- Water Treatment Plants
- Pulp & Paper Industry
- Heat Exchangers

LIGHTWEIGHT. STRONG. VERSATILE.

We supply a wide range of high-quality aluminium products that offer excellent strength-to-weight ratio, corrosion resistance and superior workability for diverse industrial applications.

LIGHTWEIGHT

High strength with low weight for better performance.

CORROSION RESISTANT

Naturally resistant to rust and suitable for various environments.

EXCELLENT WORKABILITY

Easy to fabricate, machine and form as per requirements.

ON-TIME DELIVERY

Well-managed inventory and efficient logistics for timely supply.

ALUMINIUM PRODUCTS

LIGHTWEIGHT
STRONG & RELIABLE

OUR ALUMINIUM PRODUCT RANGE

ALUMINIUM PIPES & TUBES

Seamless & welded pipes in various alloys and thicknesses.

ALUMINIUM HOLLOW SECTIONS

Square, rectangular & round hollow sections for structural applications.

ALUMINIUM PLATES

Plates in different grades and thicknesses for various industries.

ALUMINIUM SHEETS & COILS

Sheets and coils in various finishes - Mill, Anodized, Embossed & more.

ALUMINIUM ROUND BARS

Round bars in different diameters and aluminium alloys.

ALUMINIUM SQUARE BARS

Square bars in multiple sizes for machining and fabrication.

ALUMINIUM FLAT BARS

Flat bars in various widths and thicknesses for general applications.

ALUMINIUM ANGLES

Equal & unequal angles suitable for structural and industrial use.

ALUMINIUM CHANNELS

Channels in standard sizes for construction and engineering needs.

ALUMINIUM EXTRUSIONS

Customised extrusions as per drawings and specifications.

ALLOY GRADES

1050 6061

1100 6063

3003 6082

5052 And more...

APPLICATIONS

- Construction & Architecture
- Transportation
- Electrical & Electronics
- Packaging
- Automotive
- Heat Exchangers
- Solar Industry
- General Engineering

QUALITY ASSURED

All products are tested & certified to meet international quality standards.

COMPLETE RANGE

One-stop solution for all your stainless steel & aluminium product needs.

CUSTOMER FOCUSED

Dedicated support and solutions tailored to your requirements.

TRUSTED BY INDUSTRIES

Serving critical industries across India with reliability and integrity.

DIE STEEL PRODUCTS

High wear resistance, excellent toughness and dimensional stability for tool & die, mould and high precision applications.

DIE STEEL ROUND BARS

Precision ground & bright bars in various grades and sizes.

DIE STEEL FLAT BARS

High strength flat bars suitable for machining and fabrication.

DIE STEEL PLATES

Pre-hardened & annealed plates for superior performance.

DIE STEEL SQUARE BARS

Square bars in multiple sizes for tooling and die manufacturing.

DIE STEEL BLOCKS

Reliable blocks for precision machining and custom parts.

GRADES AVAILABLE

- D2
- D3
- D5
- DC53
- H11
- P20
- 1.2344 (H13)
- And more...

BRASS PRODUCTS

Excellent machinability, corrosion resistance and ideal for electrical, plumbing & precision components.

BRASS ROUND BARS

High quality brass round bars in various grades and diameters.

BRASS HOLLOW BARS

Hollow bars for plumbing, electrical and industrial applications.

BRASS FLAT BARS

Flat bars in different sizes and specifications as per requirement.

BRASS HEX BARS

Hexagonal bars for precision turned components.

BRASS SHEETS / PLATES

Sheets and plates with excellent finish and formability.

GRADES AVAILABLE

- HPB58
- HPB59
- C36000
- CZ121
- CZ360
- And more...

COPPER PRODUCTS

High electrical & thermal conductivity, corrosion resistance and excellent ductility for diverse applications.

COPPER ROUND BARS

ETP copper round bars for electrical and industrial use.

COPPER FLAT BARS

Flat bars with superior conductivity and workability.

COPPER TUBES / PIPES

Seamless copper tubes for HVAC, plumbing and industrial applications.

COPPER SHEETS / PLATES

High purity copper sheets and plates for precision applications.

COPPER BUS BARS

Electrolytic copper bus bars for electrical panels and switchgear.

GRADES AVAILABLE

- ETP
- OFC
- DHP
- Cu-110
- Cu-ETP
- And more...

ALLOY STEEL PRODUCTS

Superior strength, wear resistance and toughness for heavy duty and critical engineering applications.

ALLOY STEEL ROUND BARS

Hardened & tempered round bars in various alloy steel grades.

ALLOY STEEL FLAT BARS

High strength flat bars for machining and fabrication.

ALLOY STEEL PLATES

Plates in various thickness for structural and engineering use.

ALLOY STEEL TUBES

Seamless tubes for high pressure and structural applications.

ALLOY STEEL FORGINGS

Forged components for critical and high stress applications.

GRADES AVAILABLE

- 4140
- 4340
- EN8
- EN19
- 8620
- 42CrMo4
- And more...

PREMIUM QUALITY

Sourced from reputed mills. Tested and quality assured.

WIDE RANGE

Extensive inventory in multiple grades, sizes and finishes.

ON-TIME DELIVERY

Efficient logistics and timely delivery across India.

TECHNICAL SUPPORT

Expert assistance to help you choose the right material.

INDUSTRY TRUSTED

Preferred by OEMs, fabricators and industries nationwide.

MIHIKA ENTERPRISE

BUILDING STRENGTH, ENGINEERING TRUST

COMPLETE SOLUTIONS. STRONGER TOGETHER.

We supply a comprehensive range of industrial products including Foundation Bolts, Fasteners, Flanges, Pipe Fittings, Gaskets, Valves and Mechanical Items for all your construction, fabrication and maintenance needs.

- PREMIUM QUALITY
- WIDE RANGE
- RELIABLE SUPPLY
- COMPETITIVE PRICING
- ON-TIME DELIVERY
- CUSTOMER FOCUSED

OUR PRODUCT RANGE

FOUNDATION BOLTS

- L Type, J Type, U Type, Straight
- Anchor Bolts
- Holding Down Bolts
- Template Plates
- All sizes & grades available

FASTENERS

- Hex Bolts, Nuts & Washers
- Studs & Threaded Rods
- Socket Head Cap Screws
- Allen Bolts, Set Screws
- High Tensile Fasteners
- SS, MS, Alloy Steel Fasteners

FLANGES

- Weld Neck, Slip On
- Blind, Lap Joint, Threaded
- Socket Weld, Orifice
- R Class, A Class, B Class
- SS, CS, Alloy Steel Flanges
- As per ANSI / ASME / IS

ELBOWS

- 45° Elbow, 90° Elbow, 180° Elbow
- Long Radius & Short Radius
- Seamless & Welded
- Butt Weld / Socket Weld
- All sizes & schedules

TEES

- Equal Tee
- Unequal Tee (Reducing Tee)
- Seamless & Welded
- Butt Weld / Socket Weld
- All sizes & schedules

REDUCERS

- Concentric Reducers
- Eccentric Reducers
- Seamless & Welded
- Butt Weld / Socket Weld
- All sizes & schedules

GASKETS

- Spiral Wound Gaskets
- Ring Type Joint Gaskets
- CNAF, CAF, Non Asbestos
- Rubber, PTFE, Metal Gaskets
- As per ANSI / ASME / IS

VALVES

- Gate Valves, Globe Valves
- Ball Valves, Check Valves
- Butterfly Valves, Plug Valves
- Forged & Cast Steel Valves
- All types & sizes

MECHANICAL ITEMS

- Mechanical Seals
- Shafts, Sleeves, Bushes
- Chains, V-Belts, Pulleys
- All types of Industrial Mechanical Items
- Bearings (Ball, Roller, Taper)
- Couplings (Flexible, Rigid)
- Gear Boxes, Gear, Sprockets
- Pumps (Centrifugal, Monoblock)

OUR ROOFING SHEET RANGE

COLOR COATED SHEETS

- PPGI / PPGL Sheets
- Pre-painted galvanized steel
- Excellent corrosion resistance
- Multiple colors & profiles
- Custom length available

GALVANIZED SHEETS

- GI Corrugated Sheets
- Zinc coated for rust protection
- High strength & durability
- Economical & long lasting
- Various thickness available

AL-ZN (GALVALUME) SHEETS

- Al-Zn Coated Sheets
- Superior corrosion resistance
- High reflectivity & heat resistance
- Longer life & low maintenance
- Ideal for industrial roofing

ROOFING SHEETS

- High load bearing capacity
- Ideal for roofing & cladding
- Strong & durable profile
- Available in various thickness
- Custom length available

TRANSLUCENT SHEETS

- FRP / Polycarbonate Sheets
- Natural daylight & UV resistant
- Impact & weather resistant
- Energy efficient & durable
- Ideal for skylights & sheds

ROOFING ACCESSORIES

RIDGE CAPS

Pre-painted ridge caps
for leak proof roofing.

EAVE GUTTERS

Efficient water drainage
system.

FLASHING

Ensures watertight
joints & corners.

TURBO VENTILATORS

Enhances air circulation
& reduces heat.

ROOFING SCREWS

Self drilling screws for
strong & secure fixing.

POLYCARBONATE RIDGE

Provides daylight with
weather protection.

BUTYL TAPE

Superior sealing for
leak proof joints.

SEALANTS

High performance sealants
for all weather.

WALL FLASHING

Protects wall & roof
junction.

VALLEY GUTTERS

Effective water flow in
roof valleys.

WHY CHOOSE MIHIKA ENTERPRISE?

- ✓ High quality materials from reputed mills
- ✓ Competitive pricing
- ✓ Complete range under one roof
- ✓ Technical support & customized solutions
- ✓ Prompt supply & after sales service

WE WORK WITH LEADING BRANDS

**AM/NS
INDIA**
